### Interested in Filing Electronically or Online?

Visit [www.intax.in.gov](http://www.intax.in.gov) to learn about Indiana's online filing program, INTax. You may register to file returns and make tax payments electronically online. INTax may be used to file taxes for Indiana sales tax, withholding tax and tire fee.

Taxpayers who remit withholding tax payments electronically are not required to file any returns throughout the year (paper nor electronic). The only required return is the annual reconciliation form, WH-3. The elimination of return filing requirements applies only to Indiana state and/or county withholding tax.

For information about Indiana's other electronic payment options, visit [www.in.gov/dor](http://www.in.gov/dor) and select Electronic Services.
